

OFFICE OF THE SECRETARY OF DEFENSE
WASHINGTON

File Intelligence
31 March 1948

Mr. Allen W. Dulles
Sullivan and Cromwell
48 Wall Street
New York, New York

Dear Allen:

This is a busy week for you, I know, and I do not want to bother you with details. However, I thought it might be well to remind you and the other members of the group of the importance of dictating a record of any talks which you have had in connection with the survey. I know that it will be very important to have this running account as we go along and as the various problems begin to crisscross. It occurred to me, for example, that your talk with David Bruce the other evening might be worth making a note of. There may be others as well.

I spoke with Loy Henderson yesterday but so far the State Department have taken no action on your recommendation. However, I will keep in touch with them and may have a report for you on Saturday.

Please give your daughter my best wishes, and I am looking forward to seeing you on Saturday.

Sincerely,

Bob
